Hi Ed, I too agree this is the best way to approach this project. Any chance we could meet briefly prior to the 3pm meeting. I wanted to also update you and get your input on the dog park item that will also be coming up at council tomorrow.

I will touch base with Pam in the morning to check on you schedule.

Thanks

Marta

Your worship:

I actually think that it is a great idea. Spending time with Council finding out exactly their thoughts will be beneficial.

Thanks.....Ed

Subject: Deferred motion

Just a heads up I am hearing from some members of council making comment to the deferred motion of Central Park. It may be that this deferred motion continue to be deferred for approx one month. This can be discussed further at your 3 pm meeting with Councillor Lloyd. I would like a workshop of council within the timeframe being suggested. (30 days).

Let's make it work.

Respectfully
 Mayor Cooper
