Subject: Re: Centennial Pool / Outdoor Rink

Hello Deputy Mayor Lloyd:

Thank you for offering this suggestion especially as conveniently located in Ontario with a potential roof enclosure. It would be wonderful to have expanded activities to year round at Heritage Park. There is also great parking opportunity.

Thank you
 Mayor Cooper

Good afternoon Ed

I would like to request if at all possible to have a price for a building that would enclose the complete Centennial Pool. A building structure that I would be interested in is the building produced by Sprung Building Products. I know that they have representatives in Ontario and they would come and price a structure. As well I would recommend to get a price as well for one of their structures to cover the Outdoor Rink. Sprung Building systems are used for Ice Rinks, single, double and triple ice rinks as well Swimming Pools. These Buildings are well insulated and have a Warranty I think of 30 years  
 Thanking you in advance  
 Rick Lloyd
