Subject: Central Park Resolutions - Council Agenda
Attachments: Resolutions2.doc; 06 June 11 2012_Summary of Council Comments.doc

Hello to all,

Attached is a revised document of the proposed resolutions based on the Council Workshop. I have divided the resolutions into two sections, A (if we move forward with the endorsed Central Park Concept) and B (if Council rescinds Central Park and moves in a new direction). I've highlighted some of the information which I'm not sure if we should keep in, in yellow. There are also potential resolutions to still be written but I wasn't sure how to frame them.

I'm hoping I can get some further input at Department Heads next week.

Thanks
 marta
