I agree and what about the part about the 2/3 vote??? when did they re wright the municipal act???
I have had enough of Brian and Clair and their games.
I will be recommending that we move forward to cover the centennial pool and either cover the outdoor
rink or have SPRUNG build a new one.
I am done with the games. If we move forward the pool will be finished by Xmas and the Rink by early
spring.
Then the Eddie Bush could be repaired.

Have you read it? Last page, especially. Nothing like being lectured to about our duties and  
responsibilities...

WHY are we being treated to something that basically repeats what every previous presentation and meeting  
has said?
