I am happy to go to Ed's office but you would be welcome to meet at 9 Mcintosh Gate. There will be at least some liquid refreshments there.

David.

I think that will work. We will make sure it is only an hour maximum so we don't get ourselves in trouble with our much better halves!

I have just arrived in Vancouver and am now taking the Sky Train into downtown for a round of business meetings oddly enough relating to power projects.

I will be returning to Toronto late this afternoon.

How about meeting on Saturday? I would be OK after 2:00 pm.

David.

Dean and I will try and meet up with you on the week-end. If you could drop me a note when you may be available I would appreciate it.

I am attaching a couple of documents which will form our week-end discussion.

I would be OK for a call between 9:00 am and 10:30 am Thursday morning or between 3:30 pm and 5:30 pm that afternoon.

I will also be in Collingwood over the weekend as well.

David.

I was wondering if you may have some time on Thursday to speak to Dean and I regarding Collus Power? Let me know and I will attempt to schedule a meeting.

Thanks.....Ed
