Ed,

I would like to keep you posted that Angemeer and I are trying to also move his area forward. And I will be seeing [redacted] from Oakville next week. What about [redacted]?

Anytime you are ready to visit others like Powerstream, TH et al., I'm ready to help if you need it. Perhaps we could jointly establish a draft target schedule for the months ahead to introduce the product to LDCs? I need to have some of this information to meet with the bank next week to set up a credit facility.

Thanks Ed. Sure looking forward. I could use a boost like this in our lives!
