Hey there,

Thanks for the invitation darling. A few things have changed! Not sure if I will be able to get over there but I'm going to try. I am staying here until January 19th and then flying home with all of my "loot". I am staying in Collingwood until Feb. 2nd and then going back down to Puerto Vallarta! After thinking about it, I decided that Dean wouldn't want me to give up Mexico and I am so comfortable there that I thought I should just "get back on that horse" and go. So I will be in PV from Feb. 2nd to March 8th! I will be at our regular resort which we loved. I will be in a 3 bedroom so feel free to come and visit me!!!! I would love to show you around PV. So, that's the news so far.....ha ha....who knows! Oh, by the way, there is a rumour going around **Collingwood that Paul Bonwick received \$750,000 for the Collus/Powerstream deal! I'm still laughing!!!!**

**Small town.....I wonder what they think I'm doing!!! ha ha....hope it's good!**

Hey there, Can't remember if I told you this. It seems that I am flying out on Monday, Nov. 5th and will be in the house by myself for a week. David and Marion can't come down for another week. Also, I am going to have to reinstate my blackberry when I get down there so disregard the phone number I gave you for my mobile. The house # is 305-238-8009. I will get my new number as soon as I get down there and send you another e-mail.

Ciao

Good Morning,

I just sat down with my morning coffee and opened up my tab and there you were...

So...I bet you are not doing a lot of walking these days.. Has it stopped raining yet? It is cool here and has been very windy, but the sky is clear and sunny. It is supposed to warm up into the 80's by the week-end. We are off to Marco Island to dine with Vonnie and Bob this evening. We will go to Naples for dinner on the main street...lots of crazy people dressed for the occasion. The Americans are crazy for Halloween...fun to watch. I picked up a couple of head bands for Vonnie and I from the dollar store....they light up...I shall send you a picture. I am sure we will fit right in!

How was your week with Muriel and how is she doing?

Tell me again when do you fly out..

Cheers...Joan xoxo

Hi there,

Talked to Mary Ann at UPS Store yesterday and she said she was just going to put my mail in your box to make it easier. Hope you are having a good time. Quite the weather we are having up here as you probably know.

Talk soon
