That's strange. In 2013 then-CAO of Collingwood Ed Houghton told CBC News he didn't believe the mayor's brother Paul Bonwick was working with BLT/Sprung.

'A big number': former Collingwood CAO testifies at judicial inquiry
Ed Houghton saw no potential for conflict in company hiring mayor's brother.

I interviewed Ed Houghton in Collingwood's CAO office March 5, 2013 (1:20 PM). I asked about Bonwick's involvement. My notes: "Doesn't believe Bonwick was involved in Central Park, or Sprung. Insists didn't ahve real numbers from sprung before the August 27th." @Scoop_68
