Hi Dave:

Please review the original numbers that were sent to the Town. Unless there is some significant explanation (three million dollars higher than original) they will undoubtedly take the view that we are trying to gouge as a result potential sole source. This is a deal breaker in the current format!

I look forward to chatting at 3pm.

Regards,  
Paul

Ed,

If I am correct, I think they posted the original documents on the Sprung ftp site. The documents have since been removed, however I had printed them so attached are scanned versions.

Dave

Hello All

Using the link and password below you will be able to access 3 turnkey budgets and supporting documentation put together by Sprung and our alliance partner.

3 Budgets as follows:

- 1 – 100 x 143 Insulated Sprung Structure to cover existing Centennial Pool (construction will take about 30 days from start to finish turnkey)
- 2 – 120 x 246 Insulated Sprung Structure to cover your existing outdoor arena and add the listed accessories (construction will take 4-5 months turnkey)
- 3 – 120 x 302 New Stand Alone Insulated Sprung Performance Arena and the listed accessories (construction will take 5-6 months turnkey)

We can typically be onsite within 3 weeks of order for any of these applications.

Folder Password : 4t3b

you can view the folder contents through this <http://repository.sprung.com/repos/client.php>

We hope your meeting goes great tonight and look forward to continued discussions with you in the near future.

Kind Regards

David MacNeil | Territory Sales Executive
