I'm not missing the point Joe. The emails clearly show Abby who is Green Leaf is working as a contact for the Academy to Sprung. Not that Green Leaf is working for Sprung trying to sell another building. Abby was working on behalf of the Academy looking at options including Sprung. They chose otherwise because of the price and went with a bubble.

You are missing the point. I was sent this from a blog claiming PRA was approached by green leaf/bonwick re buying collingwoods 3rd sprung... in MAY... This blog also claims there's emails galore backing this up.... Say thanks to Abby...

Okay. I just left you a long message too. In a nut shell, Bonwick nor Green Leaf was involved. Just Abby as a former employee of PRA and friend of the Academy. She was helping not being paid. She is part owner of Green Leaf.

She had left you two messages. Bonwick is not involved. Abby is Green Leaf. Talk. To her and she can tell you the facts.

I don't know who Abby is... this letter sent to me says green leaf/bonwick is a distributor for Sprung & they were using a sales pitch they'd then have 3 sprung in Collingwood .
Is Green Leaf Bonwick ?

Green leaf is not distributing. I called Abby and asked her to explain to you. I understand the emails are pretty clear that Abby was working on behalf of the PRA and not Green Leaf.

So Green Leaf was distributing for Sprung & that wasn't Bonwick ?

I asked the same question and the answer is no. Abby who worked at PRA was still working on behalf of the academy and that's why she was the conduit.

Ed,

Are the highlighted parts of this Gallinger email accurate. Was Bonwick the distributor for Sprung ?
