Hi Ed,
Sorry for the confusion! I should not assume that you guys are on the same page! I was referring to the roof vent for \$100 program that has been set up with Collus and the other 5 companies. If you have any background it please send it to me. Hope that helps! LOL,
Abby

Hi Ed,  
I have been asked by Paul to include information regarding the structure for the wind vent pilot project in the business plan. At your earliest convenience could you please send me what you feel will be pertinent. Thank you in advance.  
Regards,  
Abby
