Hello Dave,

Thanks again for the information that you forwarded to me regarding the expression of interests. I will review them later this week. Attached is the RFP which we discussed last week. I'm hoping we can talk at some point about the framing of our expression of interest.

Hi Folks

When the deputy mayor mentioned the RFQ during the last committee presentation I asked him to show me what he meant.

The attachment is what the DM took from an RFQ and adapted it for the Central Park project ...

We are sending it out in advance of next weeks meeting for everyone to review make notes and suggestions... or prepare questions to Rick if you need more answers..
