dear mayor cooper;

i was very disappointed with your responses and attitude during last night's council meeting.

your disrespect to dr lewin and every collingwood taxpayer and voter was shameful!(chadwick and edwards were no better)

in addition to the points he raised i would like to give you the scoop on what collingwood is talking about.

i have heard kimberley wingrove was forced out(and paid over \$200,000) when she opposed this plan.

i have also heard your cousin paul bonwick was paid a substantial amount to negotiate this deal(not unlike the tremont debacle)

i vote very chance i get and unless i hear something different from you i will never vote for you again!

i would especially like to hear whether or not ms. wingrove was let go over this, and whether your close relative paul bonwick

benefited from this deal!
