We need the special council meeting. Leo is not in a panic and may feel that it may be dealt with the OMB at a later date. It's imperative that draft plan is reinstated on the 16<sup>th</sup> at the OMB.

Noted.

Will report back to you both after the call Monday afternoon.  
Let's determine where we are and how things are shaping up before we decide if a special council meeting is required.

Under certain circumstances, one might not be necessary prior to the April 16 OMB pre-hearing.

Regards,  
LFL

I agree Leo and I now feel that it may be prudent not to deal with this issue at Mondays Council incamera. Perhaps Sandra would call a Special Council meeting on April 12th to deal with this. That way it will give you, Gary and town staff the extra time to negotiate with liberty and come to a satisfactory agreement with [REDACTED]

Ed and Brian will recommend that [REDACTED] will be responsible for 25 percent of the costs of the traffic signal at [REDACTED] as others have already contributed their portion.

My hope is that we can come up with a satisfactory agreement for the April 15th OMB Prehearing that all is resolved. If Sandra calls a Special Council meeting for April 12th it will be important that you Leo are in attendance.

Rick

I have been invited by [REDACTED] to participate in a conference call that has been set for 1 pm tomorrow to discuss how/whether it is possible to "buy out" [REDACTED] from the front-ending agreement respecting servicing the south end of town.

This discussion may influence how the Town's draft plan conditions for [REDACTED] are worded.
