Subject: RE: Status of Conservation Fund application - SPAV Phase 1

Hi Bill,

It has been an incredible pleasure working with you. Thank you for all your hard work on our behalf and all the best in your future endeavours. I would like to set up a call to discuss the future of the application. Do you have time tomorrow? Please let me know what works for you and I will send an outlook invitation to everyone.

Regards,

Abby

Subject: Status of Conservation Fund application - SPAV Phase 1

All:

I have unfortunate news. I've been informed by the OPA that this project has not been approved for funding. I'm waiting for an official response from them, but at this point the reason that was described to me was that there were concerns the project would not adequately demonstrate the energy savings for the product. I'll pass on the formal response as soon as I get it.

Please also be advised that my contract with PowerStream is ending on October 4th. It has been my pleasure to work with everyone on this project; and I certainly hope that work on the solar attic vent will continue and ultimately prove successful.

Thanks,

Bill Wylie
